

**TRANSGLOBE ENERGY CORPORATION ANNOUNCES
POSTPONEMENT OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS**

TSX: "TGL" & NASDAQ: "TGA"

Calgary, Alberta, April 15, 2014 – TransGlobe Energy Corporation ("TransGlobe" or the "Company") announces that the Annual General and Special Meeting of Shareholders, which was scheduled for May 8th, 2014, has been rescheduled to June 10th, 2014. Further details regarding the meeting of shareholders will be contained in the Information Circular that will be mailed to shareholders of the Company in due course.

Advance Notice By-Law

TransGlobe's Board of Directors has adopted By-Law No. 2, which requires advance notice to the Company in circumstances where nominations of persons for election as a director of the Company are made by shareholders. The terms of the by-law are consistent with those advance notice by-laws adopted by a majority of the S&P/TSX Composite Index companies in the past year, which have been endorsed by proxy advisory firms and overwhelmingly approved by their shareholders. The by-law is currently in effect.

The by-law fixes a deadline by which shareholders must submit a notice of director nominations to the Company prior to any annual or special meeting of shareholders where directors are to be elected and sets forth the information that a shareholder must include in the notice for it to be valid. The by-law facilitates an orderly and efficient annual or special meeting process and it ensures that all shareholders receive adequate notice of director nominations with sufficient information with respect to all nominees. This allows the Company and its shareholders to evaluate the proposed nominees' qualifications and suitability as directors, which further allows shareholders to cast an informed vote for the election of directors.

At the next meeting of shareholders, shareholders will be asked to confirm and ratify the by-law. If the by-law is not confirmed at the shareholders' meeting by an ordinary resolution of the shareholders, it will be of no further force and terminate. A copy of the by-law has been filed and is available under the Company's profile at www.sedar.com.

TransGlobe Energy Corporation is a Calgary-based, growth-oriented oil and gas exploration and development company focused on the Middle East/North Africa region with production operations in the Arab Republic of Egypt and the Republic of Yemen. Cautionary Statement to Investors:

This news release may include certain statements that may be deemed to be "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Such statements relate to possible future events. All statements other than statements of historical fact may

be forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Although TransGlobe's forward-looking statements are based on the beliefs, expectations, opinions and assumptions of the Company's management on the date the statements are made, such statements are inherently uncertain and provide no guarantee of future performance. In particular, this press release contains forward-looking statements regarding the Company's plans to issue a quarterly and a special dividend to shareholders. Actual results may differ materially from TransGlobe's expectations as reflected in such forward-looking statements as a result of various factors, many of which are beyond the control of the Company, including obtaining bank lender and regulatory approval for the payment of the proposed dividends. The ability of the Company to declare and pay dividends in the future are subject to factors which include, but are not limited to, unforeseen changes in the rate of production from TransGlobe's oil and gas properties, changes in price of crude oil and natural gas, adverse technical factors associated with exploration, development, production or transportation of TransGlobe's crude oil and natural gas reserves, changes or disruptions in the political or fiscal regimes in TransGlobe's areas of activity, changes in tax, energy or other laws or regulations, changes in significant capital expenditures, delays or disruptions in production due to shortages of skilled manpower, equipment or materials, economic fluctuations, and other factors beyond the Company's control. With respect to forward-looking statements contained in this press release regarding the Company's ability to pay dividends in the future, assumptions have been made regarding, among other things: the Company's ability to obtain qualified staff and equipment in a timely and cost-efficient manner; the regulatory framework governing royalties, taxes and environmental matters in the jurisdictions in which the Company conducts and will conduct its business; future capital expenditures to be made by the Company; future sources of funding for the Company's capital programs; geological and engineering estimates in respect of the Company's reserves and resources; and the geography of the areas in which the Company is conducting exploration and development activities. TransGlobe does not assume any obligation to update forward-looking statements if circumstances or management's beliefs, expectations or opinions should change, other than as required by law, and investors should not attribute undue certainty to, or place undue reliance on, any forward-looking statements. Please consult TransGlobe's public filings at www.sedar.com and www.sec.gov/edgar.shtml for further, more detailed information concerning these matters, including additional risks related to TransGlobe's business.
